## Activities carried out

Short paragraph of summary of the visit (time arrived, how you were received, and then how you handed over/to whom and then exited the school.) Take pictures to support the activities.

Appreciation remarks from the principal (brief interview on the use and how they intend to sustain the donations)

**We truly appreciate the efforts made today by Value Health Africa. Their gifts are timely considering the efforts private schools have to make to respect WHO measures.**

Other needs identified by Value Health Africa Team

- **Inadequate water station for the students**
  - **Insufficient trash cans**
